STATEMENT PURSUANT TO 37 C.F.R. § 1.97 AND § 1.98

The following information is submitted in accordance with 37 C.F.R. §1.97 and §1.98 and MPEP § 609. The references listed on the attached Form PTO /SB/08a are for consideration by the United States Patent and Trademark Office in the above identified application and to be made of record herein.

Applicant lists the patents, publications, or other information of which they may be aware, which they believe may be material to the patentability of this application and in respect of which there may be a duty to disclose.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made (37 C.F.R.1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this Information Disclosure Statement shall not be considered as an admission against interest in any manner. Notice of January 19, 1992, 1135 O.G. 13-25, at 25.

The Information Disclosure Statement submitted herewith is being filed simultaneously with a Request for Continued Examination . The IDS includes references found in a corresponding EP application that has issued as EP1567403.
